

meditations on moloch slate star codex - this is strikingly beautiful one of the best i ve read from you one somewhat rambling thought i took away from this post oddly enough is that in the face of a potential superintelligence the status quo is not the only alternative to trying to build a friendly ai, **they don t give a damn about shorenstein center** - a paper by jackie calmes joan shorenstein fellow spring 2015 and national correspondent for the new york times examines the increasing influence of conservative media on the republican party s agenda calmes traces the history of conservative media from its founding after world war ii to the present day proliferation of talk radio and internet personalities, **2018 fifa world cup wikipedia** - the 2018 fifa world cup was the 21st fifa world cup an international football tournament contested by the men s national teams of the member associations of fifa once every four years it took place in russia from 14 june to 15 july 2018 it was the first world cup to be held in eastern europe and the 11th time that it had been held in europe at an estimated cost of over 14 2 billion it, **why ken rockwell is bad for photography another angle** - the other day i was perusing the web for reviews of the sony a7r ii to make sure i hadn t missed anything before i bought it i quickly stumbled upon ken rockwell s review and said what the heck let s have a look for once, **open forum september 9 2017 catalaxy files** - in this case the bulk of the money for these free abortions came from the lilith fund a nonprofit based in texas that raises money for abortions and private donors really well a quick google says that indeed these abortion funders are called the lilith fund, **will the new sspcx superior general strike an old tone** - indeed mr v let us pray and fast for the sspcx and for fr pagliarini as clearly he has a lot of important work to do but i have another suggestion that might make a mess at the same time we are fasting and praying, **if women were oppressed men suffered right alongside them** - anytime you start arguing with a woman about women s rights the argument will often stall with the phrase but we have been oppressed for so long so we deserve more than you as if it was on par with slavery of black people or the holocaust for the jews, **rape culture was manufactured to wage an unjust war** - all the salient points on this issue in one convenient easy to read article well done and a must read for anyone new to the topic i m going to start posting links to this article any time the topic comes up, **american pravda when stalin almost conquered europe by** - for many years i maintained far too many magazine subscriptions more periodicals than i could possibly read or even skim so most weeks they went straight into storage with scarcely more than a glance at the cover, **dude you broke the future charlie s diary antipope** - abstract we re living in yesterday s future and it s nothing like the speculations of our authors and film tv producers as a working science fiction novelist i take a professional interest in how we get predictions about the future wrong and why so that i can avoid repeating the same mistakes, **scientist claims human microchip implants will become not** - to gain access to official services you ll need to be a verified human without verification you won t even be able to purchase a six pack of beer let alone get medical care or a driver s license, **american pravda oddities of the jewish religion by ron** - about a decade ago i happened to be talking with an eminent academic scholar who had become known for his sharp criticism of israeli policies in the middle east and america s strong support for them
